USE TIMBER – THE MOST ENVIRONMENTALLY
FRIENDLY BUILDING PRODUCT ON THE PLANET

The Perfect Touch

Nothing finishes off a new home or renovation, or creates a warm and inviting environment than a natural timber floor. InStyle flooring is the perfect product to take your home to the next level in comfort, style and sophistication.

Why use InStyle?

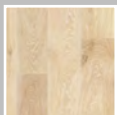

Our product is of the highest quality and will appeal to architects, designers, builders and home owners. InStyle flooring can be sourced by all leading timber merchants in Australia. Our product is readily available, and easily accessible. If you are looking for the best quality product, that is reasonably priced and delivered with industry leading service, look no further than InStyle Flooring.

Specific Requirements?

While InStyle Flooring is available in many sizes, we understand that sometimes you will need to match an existing profile or a custom size. We offer custom machining, and can match virtually any profile. All we need is a sample, or detailed drawing, and our skilled machinists can replicate any profile to suit your requirements.

A Timeless Classic

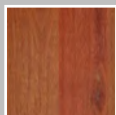

Available in a large array of sizes and species, there will certainly be an option of InStyle Flooring to suit your needs. Some of our popular Species include:

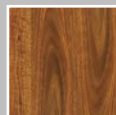

American
White Oak

Blackbutt

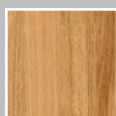

Ironbark

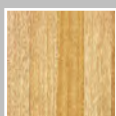

QLD
Spotted Gum

Chestnut

Tasmanian
Oak

Victorian
Ash

Many other species are available.

Ask your InStyle stockist for more information.
